**Info**

The handle knife is in laminated wood, while its blade is in Aisi 420 stainless steel, black PTFE coated, and is stone sharpened by skilled and qualified craftsman's hands.

The "Old Bear"® knife comes without no-return spring meaning its blade locking system features a solid safety ring (covered by patent n.1187282 deposited in year 1985 by Todesco company from Maniago which is active partner of this project) that fixes the handle in open and closed position.
