Microplane - Medium blade grater elite series

cod. **49002**

Info

The Elite Series Medium Blade Microplane Grater is the best choice for grating chocolate, apples, mature and soft cheeses and vegetables. You will get small

Here are the features that made the Microplane 49002 Grater an exceptional product:

Razor sharp, chemically etched, long lasting stainless steel blades - Made in the USA

Refined and harmonious design made of stainless steel

"Soft-touch" handle with an ergonomic design

Once placed on the rear side of the grater, the lid has a dual function: it serves both as a receptacle for the cheese and as a graduated container

Non-slip end for added stability

Dimensions: 27.60 cm x 7.60 cm x 2.80 cm

Grater surface: 12.0cm x 7.0cm
