Info

This soldier's knife is an exact reproduction of the knife used by the Marines (Army and Navy) during World War II. Of excellent quality and finish, the blade is made of tempered steel 440 ° 55/57 HRC. The handle is made of real leather black discs, with stainless steel 304 handle and guard. All metal parts are phosphate titanium black. The knob can also be used as a hammer. Includes leather sheath.
