machines and accessories**

**Marcato - Ravioli
machine with square
filling**

cod. **RA Q25X48 CLS**

Info

Materials

The body of the molds is made of die-cast aluminum, a solid material for food that guarantees a clean cut and the dough.

Wood

The practical rolling pin included is made of solid wood, this was chosen because it is solid and compact. The decision was made to ensure durability o

Square 48pcs. 25x25 mm
