

**Antica Coltelleria Tavella / Pasta  
machines and accessories**

**Marcato - Ravioli  
machine with round  
filling**

cod. **RA T40X24 CLS**

**Info**

**Materials**

The body of the molds is made of die-cast aluminum, a solid material for food that guarantees a clean cut and the dough.

**Wood**

The practical rolling pin included is made of solid wood, this was chosen because it is solid and compact. The decision was made to ensure durability o
