WMF - Dose ice cream

cod. **18 81746040**

Material: stainless steel

Info

With the WMF Sage, you can shape mouth-watering ice cream scoops in no time.
The dispenser is made of Cromargan® 18/10 stainless steel, which is resistant to food acids, hygienic and rust-proof.
Ergonomic handle for easy and fatigue-free operation.

Tip: Prepare a glass of lukewarm water and briefly dip the dispenser after each ball. This saves energy and time. In addition to more solid ice creams, creams and sorbets, the ice cream dispenser

Dishwasher safe
