

**Antica Coltelleria Tavella / Kitchen**

accessories and utensils

**WMF - Hollow**

cod. **18 71266030**

**Material:** stainless steel

**Info**

Not only does the digger easily form melon or butter balls, but it is also particularly suitable for removing seeds from cucumbers or zucchini. It is possible to make it partially satin-finished Cromargan® 18/10 stainless steel.

A tip for application: when it forms, rotate your wrist so that it does not tighten too much.  
Dishwasher safe.
