WMF - Skimmer

cod. **18 71029990**

Material: stainless steel

Info

With the WMF fry slotted spoon, liquids quickly drip through the holes when the food is removed and the long handle protects you from splashes of hot water and grease.

Made of partially satin-finished Cromargan® 18/10 stainless steel.

Equipped with a practical eyelet to store it on a suspended bar.

Dishwasher safe.
