Info

Edge, the folding slip joint designed by the Maniago cutler Graciot.

Lightweight and practical, Edge features a Bohler M390 stainless steel blade with a satin finish.
The handle is in titanium Ti6Al4V anodized bronze stonewashed.

The three holes on the blade, positioned in the best lever point for easier opening, replace the classic opening "nail" as well as making it more comfortable.
It is sold with the exceptional leather sheath with magnetic clip, to carry it with you without losing it in your pocket!
