Info

MIKRO, designed by Jesper Voxnaes, is a small and compact fixed blade knife, produced with high-tech and quality materials. If you are looking for a fixed blade that is not bulky, light, and sturdy, Mikro is definitely the knife for you.

Bohler M390 steel blade with stonewashed finish and sheepsfoot blade with a single cutting edge with a thickness of 4mm. Green canvas micarta handle.

Magnetic leather sheath that allows you to fix it inside the pocket or, thanks to the leather cord supplied, you can also wear it around

It is sold in a box with a torx 6/8 key.
