tactical accessories**

**FKMD - MTD/2 Tactical  
Pen blue**

cod. **MTD/2 BL**

**Weight:** 35 gr - 1.23 oz

**Material:** Anodized aluminium 6061

**Clip:** stainless steel

## Info

One end is pointed, which could be used as a very effective defense tool while the other end is blunt and could be used as a control device. The aircraft grade aluminium body with type 3 anodizing gives this pen a very tough and reliable construction. Not only is this pen designed to be used as a defence tool and writing instrument but it also has a very attractive appearance and can also be used as a PDA stylus or pen.
