Info

Delilah's P.E.C.K.® (or Precision Engineered Compact Knife) is Ed's baby, weighing less than 1 oz. and only 2.625 inches long when closed. Just think of it as a sweet little K.I.S.S. When open, the graceful 1.75" Razor-Sharp Wharncliffe blade is a high-performance cutting tool suited for hundreds of daily tasks.

- P.E.C.K. – Precision. Engineered. Compact. Knife.
- Less Is More: Innovative two-piece design: Blade and frame
- Minimizes Reflectivity: Bead blast finish reduces reflection
