### Info

For lovers of Italian design and style

Choosing your new pasta machine is a special moment, so we have created different finishes to suit your style.  
Atlas Design in colored aluminum

We have chosen anodized aluminum to guarantee you a colored product of the highest quality and safe for health. An important feature, which makes Atlas 150

Atlas Classic in chromed steel

The machine is entirely made of high quality chromed steel, machined and assembled in Italy. Each part is treated in the smallest details to enhance elegance.
