LionSTEEL - Eskaper

cod. **ES-1**

Overall Length: 10 cm - 3.94"

Weight: 45 gr - 1.59 oz

Blade: stainless steel

Info

Eskaper is a useful, elegant and multifunctional accessory.

It is a 303 steel cylinder in which a ring is inserted, so it can be used as a key ring.

At one end it is equipped with a practical bottle opener, while at the other Eskaper has a tungsten carbide tip that acts as a glass breaker. In addition,
