Blade Coating: black Top Shield®

Handle: black aluminum

Info

The knife echoes one that Fox Knives created at the request of GIS, Gruppo di Intervento Speciale dell'Arma dei Carabinieri, Italian special forces.

The design of Veleno stems from a reinterpretation of the ceremonial dagger made more appealing thanks to the materials:

blade made of N690 steel with Top Shield® finish and aluminum handle finished in black color that recalls the color that distinguishes the weapon group.
