**Screws:** Black PVD titanium

**Designer:** Vincenzo Fiore

**Info**

A dream come true, PHI is the Balisong made in Maniago by Coltellerie Fox in collaboration with Vincenzo Fiore, known knives designer and Italian custom maker.

Simple and balanced design thanks to the Pinsless system that allows to eliminate the stop pins and consequently to reduce the distance between the center of the two holes, the center of the hole and the outer perimeter of the blade head.
