**Weight:** 78 gr - 2.75 oz

**Blade:** N690Co stainless steel

**Hardness:** HRC 58-60

**Blade Coating:** black Top Shield®

**Handle:** FRN® black

**Clip:** Black idroglider stainless steel

**Spacer:** Black anodized aluminium

**Screws:** Black idroglider stainless steel

**Designer:** Antonio Di Gennaro

Made in Italy

**Info**

"The Italico was born almost on its own....

Following the market novelties, which are always numerous, I thought of designing a folder that would be very compact and express solidity from the very first impact, once gripped. The salient features that had to be present were: an excellent grip, a prerogative I try to apply in all my designs, and a type of blade that was very exploitable even for heavy work, despite its small size. After the first sketches were made, the ITALICO was born."

*Antonio Di Gennaro*
